Subject: NICE Guidance - Disabled Children with Severe Complex Needs

*I can confirm that the ICB **does hold some of the information requested**; please see responses below:*

QUESTION	RESPONSE
<p>Please find below our FOI request regarding the NICE guideline NG213 relating to Disabled Children and young people with severe complex needs:</p> <ol style="list-style-type: none"> 1. Has your organisation completed a baseline assessment to evaluate whether practice is in line with the recommendations in <i>Disabled children and young people up to 25 with severe complex needs: integrated service delivery and organisation across education, health and social care</i> (NICE guideline NG213)? (Please answer yes or no) 2. If no, do you have plans to do one and if so by what date? 3. If the above assessment has been completed, could you please provide us with a copy of the assessment and action plan. 4. Do you specify that provider organisations need to deliver services for disabled children and young people up to 25 with severe complex needs in a way which is consistent with NICE guideline NG23? (Please answer yes or no). 	<ol style="list-style-type: none"> 1. The Children Continuing Care team are in the process of completing a baseline assessment to evaluate whether practice is in line with NICE guidance NG213 for children and young people up to 18. 2. The aim is for the team to complete this assessment by end of September 2022. 3. N/A 4. Yes 5. This will form part of the outcome of the current assessment, as outlined in answer to question 1. 6. Zero

<p>5. Please could you tell us what action you are taking to ensure that provider organisations deliver services for disabled children and young people up to 25 with severe complex needs in a way which is consistent with NICE guideline NG23?</p> <p>6. How many children with complex needs or disabilities for whom you are responsible are currently accessing services that are located outside of your ICS area?</p>
