QUESTION	RESPONSE
<p>1. Please release the figures that show how many locum GPs worked in your integrated care area from 1<sup>st</sup> July to 31<sup>st</sup> December 2022. Please break down the figures into the number of individual locum GPs, the total number of hours worked by these locum GPs and the total cost of these hours.</p>	<p>Bristol, North Somerset and South Gloucestershire Integrated Care Board does not hold this information. You would need to contact each practice individually for this information.</p> <p>Practice contact information is available on the individual GP websites. A list of GP practices within the ICB footprint is included on our website: <a href="https://bnssg.icb.nhs.uk/health-and-care/find-a-local-health-service/">https://bnssg.icb.nhs.uk/health-and-care/find-a-local-health-service/</a></p>
<p>2. What was the highest amount paid to a locum GP for one shift in this period and how many hours did that shift last?</p>	
<p>3. How many vacancies are there for full time GPs in your integrated care area?</p>	
<p>4. Please release the average annual wage figure for a salaried GP in your integrated care area.</p>	

***The information provided in this response is accurate as of 9 January 2022 and has been approved for release by David Jarrett, Director of Integrated and Primary Care for NHS Bristol, North Somerset and South Gloucestershire ICB.***
