

**Reference: FOI.ICB-2223/261**

**Subject: ICP Prevent/Channel Data Sharing**

*I can confirm that the ICB **does hold some of the information requested**; please see responses below:*

QUESTION	RESPONSE
<p>According to the Prevent Duty, public institutions should pay due regard to Prevent. Many make arrangements under safeguarding policies to share data with the police or local Prevent/Channel bodies. This means that you should enter into Data Sharing Agreements (DSA) with regards to Prevent and/or Channel. According to legislation, DSA's should be entered into after a Data Protection Impact Assessment has been carried out. Any data processing should be covered by a Data Processing Contract.</p> <p>Please release:</p> <p>1: Any Data Sharing Agreement(s) made with regards to Prevent and/or Channel, or which otherwise meet your obligations under the Prevent Duty.</p> <p>2: Any Data Protection Impact Assessment done in relation to these Data Sharing Agreement(s).</p>	<ol style="list-style-type: none"> <li>1) PREVENT data sharing in BNSSG ICB (Bristol, North Somerset and South Gloucestershire Integrated Care Board) is managed under the ICB/ICS Tier 1 information sharing agreement and detailed in the Tier 2 information sharing agreement for all safeguarding arrangements.</li> <li>2) The ICB does not currently have a data protection impact assessment that is specifically focused on this data sharing.</li> <li>3) Data protection is within the Tier 1 and Tier 2 information sharing agreements.</li> <li>4) Prevent related data is stored in a restricted drive with authorised access agreed by BNSSG ICB Head of Safeguarding and monitored by IT manager.</li> <li>5) Information and data storage for PREVENT consists of numerical data from provider health services on PREVENT referrals made (as directed by the BNSSG ICB Safeguarding</li> </ol>

3: Any Data Processing Contract(s) relevant to the Data Sharing Agreement(s).

Please also answer the following questions:

4: Where is Prevent-related data stored?

5: Is this a separate database to other databases you keep?

6: Who has access to this data?

7: For how long is the data retained?

8: Is consent sought from the subject before sharing this data?

9: Please list all the persons consulted on the decision to release the above information (only position and organization)

I note that a number of local authorities, including Prevent priority areas, have proactively made public their Information Sharing Agreements and Data Protection Impact Assessments that are attached to Prevent and Channel programmes.

This includes Hampshire County Council, which has released its Information Sharing Agreement; Lincolnshire Police, which has released multiple Information Sharing Agreements signed between itself and public bodies in Lincolnshire; Camden Borough Council, which has released its Data Protection Impact Assessment, and Blackburn and Darwen, which has released its

Quality schedule) plus Channel meetings attended. This is stored in a folder in the restricted access safeguarding drive.

6) Restricted access to this data into the safeguarding drive allocated to members of safeguarding team only.

7) Maximum 6 months or for Channel cases on case closure

8) Consent for Channel case managed under local PREVENT board processes.

9) Head of Safeguarding, Designated Nurse Adult Safeguarding

Memorandum of Understanding. London Multi-Agency Data Sharing Agreement for Safeguarding and Promoting the Welfare of Children is also publicly available.
