Subject: Procurement Staff Organisational Chart

I can confirm that the ICB does hold some of the information requested; please see responses below:

QUESTION	RESPONSE
<p>1. The organisational chart for your procurement department, including logistics and warehousing and other associated sub-units of the procurement and purchasing function.</p> <p>Please include the job titles and Agenda for Change banding. For those instances where there are multiple people employed in the same role (for example, by way of a hypothetical: “contract manager” or “materials manager”), please include a headcount and FTE for that role.</p> <p>Please also include the names of people on this organisational chart only where appropriate. I appreciate that many of the people on the chart will be too junior to have their names released and I would ask that you redact them.</p> <p>2. A breakdown of your procurement department staff headcount in each Agenda for Change band by gender and ethnicity.</p>	<p>BNSSG ICB are provided with procurement support by the South, Central and West Commissioning Support Unit (SCW CSU) and does not directly employ staff to undertake these activities.</p>
