**Subject:** Attention Deficit Hyperactivity Disorder Waiting Times

*I can confirm that the ICB does hold some of the information requested; please see responses below:*

QUESTION	RESPONSE
Please can you tell us the current waiting times for young people being assessed for attention deficit hyperactivity disorder within your local area, e.g. when a young person is referred and how long it will take for them to be seen for an assessment/treatment.	ADHD diagnosis comprises one aspect of Community Paediatric services. The service is currently unable to differentiate between ADHD wait times and other Community Paediatric appointments.  As of 02/02/2024 - Current average waiting time for Community paediatrics is: 54.0 weeks.
