

Quick Reference Guide – viewing the CICB hub list (patients referred to CICB with no allocated pathway)

Pre requisites:

- CICB colleague has logged in to Connecting Care directly via [the portal](#) (see screen below) NB: the solution is not accessible via single sign on from in-context launch.
- Patient has been enrolled on CICB list. (See [Quick Reference Guide - Enroling a patient onto CICB.](#))

1. Click 'CICB list' on left hand panel of the home screen.

The screenshot shows the 'Record Search' interface in the Connecting Care system. On the left, a navigation menu lists various categories: COMMON, FORMS, TASK LIST, RECORDS, RECORD LISTS, WORKLISTS, DOCUMENTS, FEEDBACK, **CICB** (highlighted with a red circle), and regional lists for BRISTOL, HOSPITAL, SIRONA, SOUTH GLOUCESTERSHIRE, and NORTH SOMERSET. The 'CICB List' option is also highlighted. The main search area includes fields for Identifier, Facility (set to NHS), Name (First Name(s) and Last Name), Date of Birth, Sex, and Post Code. There is a 'Search' button, a 'Reset' button, and a 'Search MIG' checkbox. A search bar at the bottom contains the text 'Enter a new favourite search'.

2. The CICB list will now appear. This list displays all patients currently enrolled into the CICB who do not have a pathway or local authority assigned to them.
