Subject: Primary Care Data Gathering Programme

I can confirm that the ICB does hold some of the information requested; please see responses below:

QUESTION	RESPONSE
<p>The "primary care data gathering programme" is a national exercise delivered by Community Health Partnerships on behalf of NHS England. More details can be found here. Its results are published on the Strategic Health Asset Planning and Evaluation (SHAPE) place atlas here.</p> <p>1: Under the FOI act, can I please ask for the ICS for the full dataset for its system in the primary care data gathering programme in an excel format.</p> <p>2. If it is not possible to share the full dataset, could I please receive <u>all data (in an excel format) relating to</u></p> <p>a) <u>backlog maintenance and</u> b) <u>size and age of GP premises</u> for the system in the primary data gathering programme.</p>	<ol style="list-style-type: none"> 1. The ICB does not hold this information, please contact NHS England - england.contactus@nhs.net 2. <ol style="list-style-type: none"> a. The ICB does not hold this information, please contact NHS England - england.contactus@nhs.net b. Size of premises: The total amount of GP floorspace in BNSSG is 51,533.4m² Net Internal Area. Age of premises: The PCDG database does not hold specific dates of building construction. We have GP buildings within our BNSSG with construction dates ranging from pre-1948 to 2018.

The information provided in this response is accurate as of 22 March 2024 and has been approved for release by Sarah Truelove, Deputy Chief Executive and Chief Finance Officer for NHS Bristol, North Somerset and South Gloucestershire ICB.
