

**Reference:** FOI.ICB-2425/014

**Subject:** GP Premises

*I can confirm that the ICB **does hold some of information requested**; please see responses below:*

QUESTION	RESPONSE
<p>The "primary care data gathering programme" is a national exercise delivered by Community Health Partnerships on behalf of NHS England. More details can be found <a href="#">here</a>. Its results are published on the Strategic Health Asset Planning and Evaluation (SHAPE) place atlas <a href="#">here</a>. Can I please ask for the ICS for the following information for its system in the primary care data gathering programme:</p> <p>1: The number of GP premises within the ICS</p> <p>2: The cost of backlog maintenance for primary care premises within the ICS</p> <p>Can you also please share the year the information in question 1 and 2 relate to.</p>	<ol style="list-style-type: none"><li>1. As of April 2024, there are 101 GP premises in Bristol, North Somerset and South Gloucestershire (BNSSG), including 29 branch sites. (A GP practice operating multiple surgeries usually designates one of the surgeries as a main surgery and the rest as branch surgeries)</li><li>2. The ICB does not hold this information, please contact NHS England - <a href="mailto:england.contactus@nhs.net">england.contactus@nhs.net</a></li></ol>

***The information provided in this response is accurate as of 10 April 2024 and has been approved for release by Sarah Truelove, Deputy Chief Executive and Chief Finance Officer for NHS Bristol, North Somerset and South Gloucestershire ICB.***
