QUESTION	RESPONSE
Please refer to requesters template enclosed.	
Clarification received: Thank you for your email, to confirm a day service definition would be as follows:	Please refer to requesters template enclosed.
Support for people with a mental health condition or people with learning disabilities usually provided in a community setting that provides direct care and activities for people with a mental health condition or people with learning disabilities during the day, where the person lives in the community.	Please note: a list of Integrated Care System providers and a link to their websites can be found on the ICB website: https://bnssg.icb.nhs.uk/about-us/the-integrated-care-system-in-bnssg/
Something that is offered to them for a set period of time.	

The information provided in this response is accurate as of 16 September 2024 and has been approved for release by Helena Fuller, Deputy Director of Business, Strategy and Planning for NHS Bristol, North Somerset and South Gloucestershire ICB.
