

**Reference:** FOI.ICB-2425/001

**Subject:** Nutrition and Dietetics Medicines Optimisation Team

*I can confirm that the ICB **does hold some of the information requested**; please see responses below:*

QUESTION	RESPONSE
1. Do you have a commissioned Nutrition / Dietetics Medicines Optimisation team focusing on the nutrition (Oral Nutritional Supplement (ONS) and infant formula) spend in NHS Bristol, North Somerset and South Gloucestershire Integrated Care Board and the individual PCNs within the ICS?	No
2. If yes, please also provide:  a) The contract expiry date, contract value, and vendor name for this commissioned service. b) The contractual performance Key Performance Indicators (KPIs) for this contract, specifically related to ONS and infant formula prescription savings per year. c) The name and contact details of the senior officer (outside of procurement) responsible for this contract.	N/A
3. Furthermore, I kindly request information on:	a) Please see enclosed document for medicines optimisation team structure, noting that the ICB is undergoing reorganisational change and following a consultation process, staff structures are being finalised.

<ul style="list-style-type: none"> <li>a) The structure of the medicines management team within the NHS Bristol, North Somerset and South Gloucestershire Integrated Care Board.</li> <li>b) The individuals or teams responsible for reviewing and managing ONS prescribing within the ICS.</li> <li>c) Whether there is a dietitian on the medicines management team.</li> <li>d) Any NHS-wide incentives in place for ONS prescribing.</li> </ul>	<ul style="list-style-type: none"> <li>b) Medicines Optimisation Team</li> <li>c) No</li> <li>d) The ICB does not hold any current rebates for ONS. For secondary care prescribing, please check with individual trusts.</li> </ul>
