

**Reference:** FOI.ICB-2425/101

**Subject:** E-Referral System (Secondary Care)

*I can confirm that the ICB does hold the information requested; please see responses below:*

QUESTION	RESPONSE
<p>I would like to receive a list of all services on the e-Referral System (e-RS) <b>secondary care menu</b> that this ICB has <b>directly contracted with</b>. This should not be all services on the e-RS secondary care menu, i.e. should exclude services available via non-contract activity that have been commissioned by other ICBs.</p> <p>For each service, please provide:</p> <ol style="list-style-type: none"> <li>1) the Service Name</li> <li>2) the e-RS Speciality,</li> <li>3) the e-RS Clinic Type</li> <li>4) if the service is a bookable service or an assessment/triage service</li> <li>5) the provider organisation</li> <li>6) the current indicative appointment wait time</li> <li>7) the number of referrals sent via eRS for patients registered by a GP in your ICB in NHS Financial Year 2023/24</li> </ol>	<p>Please find link below to the BNSSG ICB contracts register showing all clinical contracts: <a href="https://bnssg.icb.nhs.uk/wp-content/uploads/2018/11/Contracts-Register_23-24_October-2023.pdf">https://bnssg.icb.nhs.uk/wp-content/uploads/2018/11/Contracts-Register_23-24_October-2023.pdf</a></p> <p>BNSSG ICB has applied a conservative estimate of 5 mins to collate the information for each contracted service and determined that to provide the information would take over 80 hours. The ICB has therefore applied Section 12 (Requests where the cost of compliance exceeds the appropriate limit of 18 hours) to the request.</p>
