Subject: Patient Safety Events related to MAPs

I can confirm that the ICB does hold some of the information requested; please see responses below:

QUESTION	RESPONSE
<p>Under the Freedom of Information Act 2000, I am writing to request information about patient safety incidents related to Medical Associate Professionals (MAPs), including Physician Associates and Anaesthesia Associates, within your ICB area.</p> <p>Please provide the following data for incidents from 1st January 2021 to the present:</p> <ol style="list-style-type: none"> 1. The number of Patient Safety Incident Investigations (or similar terminology, e.g. serious incident reports) related to MAPs within your ICB. 2. A breakdown of these investigations/reports by type of incident and severity of harm. 3. Anonymised copies of all relevant PSII reports and serious incident reports. 4. Copies of any learning documents, summaries of findings, and descriptions of implemented changes or actions taken to improve patient safety based on these incidents. 	<p>There have been zero incidents reported in the Bristol, North Somerset and South Gloucestershire ICB area.</p>

The information provided in this response is accurate as of 11 July 2024 and has been approved for release by Rosi Shepherd, Chief Nursing Officer for NHS Bristol, North Somerset and South Gloucestershire ICB.
