Subject: Mental Health and Learning Disability Data/Insights in the Region

I can confirm that the ICB does hold some of the information requested; please see responses below:

QUESTION	RESPONSE
I am reaching out to inquire if you have any data or insights on the mental health and learning disability needs across the South West region. Additionally, could you confirm if your team is the right point of contact for this information, or if there is another team or department that could better assist with this request?	<p>Please refer to the performance report which can be found on our website: https://bnssg.icb.nhs.uk/wp-content/uploads/2024/09/7.1-Outcomes-Performance-and-Quality-Committee-ICB-Board-September-2024.pdf</p> <p>Performance and quality reporting is presented to the ICB Board at each meeting. Papers for the ICB Board can be found on the ICB website: https://bnssg.icb.nhs.uk/events/</p> <p>Enquiries can be directed to bnssg.mh.contract@nhs.net and will be picked up by an appropriate member of the team.</p> <p>Please note that BNSSG ICB only covers the Bristol, North Somerset and South Gloucestershire area, and therefore does not hold information for the entire South West region. We advise you to contact NHS England who may hold further information: https://www.england.nhs.uk/contact-us/foi/</p>

The information provided in this response is accurate as of 9 September 2024 and has been approved for release by Sarah Truelove, Deputy Chief Executive and Chief Finance Officer for NHS Bristol, North Somerset and South Gloucestershire ICB.
