

Reference: FOI.ICB-2425/199

Subject: ADHD Services Right to Choose - Number of Referrals

I can confirm that the ICB does not hold the information requested; please see responses below:

QUESTION	RESPONSE
<p>Thank you very much for sending me the additional information I requested. I understand that invoices are often not itemised and therefore you are unable to provide figures per patient.</p> <p>Does the ICB hold data for the number of right to choose referrals made to each of these organisations? For example, if the number of referral made in the preceding 6 months to each invoice, one might be able to calculate approximate costs per patient. May I request this extra information please?</p> <p>(This is a follow up to FOIs - FOI.ICB-2425/128 and FOI.ICB-2425/162)</p>	<p>The ICB does not have data on the number of referrals sent to Right to Choose providers. Referrals made to right to choose providers are made directly to the provider and does not go through BNSSG ICB's referral service. BNSSG ICB is not sent this information from the provider.</p>

The information provided in this response is accurate as of 6 September 2024 and has been approved for release by Sarah Truelove, Deputy Chief Executive and Chief Finance Officer for NHS Bristol, North Somerset and South Gloucestershire ICB.
