

Reference: FOI.ICB-2425/224

Subject: ME/CFS, Long Covid and POTS Clinical Services

I can confirm that the ICB does hold some of the information requested; please see responses below:

QUESTION	RESPONSE
<p>Request details:</p> <p>For the following clinics/services:</p> <ol style="list-style-type: none"> 1. ME/CFS services (i.e., chronic fatigue syndrome or fatigue management services) 2. Long COVID services (i.e., post-covid clinics) 3. POTS clinics (postural orthostatic tachycardia syndrome / syncope - usually located within cardiology or a specialist autonomies unit). <p>Provide details for each clinic/service within your ICB:</p> <ol style="list-style-type: none"> i) Name of the service/clinic ii) Address/location iii) Telephone contact (for patient enquiries) iv) Email address (for patient enquiries) v) Public web-page vi) Name/position of the lead clinician of the service 	<ol style="list-style-type: none"> 1. <ol style="list-style-type: none"> i) Bristol ME Service ii) The Lodge, Cossham Hospital, Lodge Road, Bristol, BS15 1LF iii) 0117 4145192 iv) bristolme@nbt.nhs.uk v) https://www.nbt.nhs.uk/our-services/a-z-services/bristol-me-service vi) The ICB does not hold this information, we advise contacting the provider for this detail - FOIArequests@nbt.nhs.uk 2. The Long Covid Service is run by Sirona care & health in partnership with Bristol ME Service. Since April 2024, NHS England's central Long COVID programme ceased as Long COVID services are now delivered as business as usual for the NHS. <ol style="list-style-type: none"> iii) sirona.longcovid@nhs.net iv) 0300 124 5395 v) https://sirona-cic.org.uk/nhsservices/services/long-covid-service/ vi) The ICB does not hold this information, we advise contacting the provider for this detail - Sirona.hello@nhs.net

	<p>3. There is no designated PoTS clinic within BNSSG. GPs can refer appropriate patients to a Cardiology arrhythmia clinic.</p> <p>Further information about PoTS pathways can be found on Remedy: https://remedy.bnssg.icb.nhs.uk/adults/cardiology/postural-orthostatic-tachycardia-syndrome-pots/</p>
