

Reference: FOI.ICB-2425/225

Subject: Provider Organisations Contract Register

I can confirm that the ICB does hold the information requested; please see responses below:

QUESTION	RESPONSE
<p>Please refer to requesters template enclosed.</p>	<p>The ICB has applied Section 43(2) to financial information contained in the service specification, GP Care – DVT Pathway. Section 43(2) exempts from disclosure information which would, or would be likely to, prejudice the commercial interests of any legal person (an individual, a company, the public authority itself, or any other legal entity). Section 43(2) is a qualified exemption and therefore subject to the public interest test.</p> <p>The public interest argument in favour of disclosing the information include the ICB's responsibility to be transparent and accountable in it's decision making processes and to promote public understanding of processes.</p> <p>The public interest argument in favour of maintaining the exemption includes the ICB's responsibility to secure the best use of public resources and provide value for money. There are robust procurement processes in place to ensure that the NHS commissions services which are value for money and competitive.</p>

	<p>The ICB has considered the requirement to be transparent in its decision making processes and all contract awards are published on the ICB website, please see the contracts register for more information: https://bnssg.icb.nhs.uk/library/icb-contracts-register/</p> <p>The ICB has considered the balance of both disclosing the information and maintaining the exemption and believes that it is in the public's best interest to apply the exemption to ensure that the ICB can continue to commission services which are value for money.</p> <p>Please note: FOI requests and responses are publicly available and therefore personal information has been redacted. The ICB considers the names included in the service specifications to be personal information and therefore has applied the section 40 (Personal Information) exemption to this information.</p>
--	---

The information provided in this response is accurate as of 7 November 2024 and has been approved for release by Sarah Truelove, Deputy Chief Executive and Chief Finance Officer for NHS Bristol, North Somerset and South Gloucestershire ICB.
