Subject: Osteoporosis Pathways

I can confirm that the ICB does hold the information requested; please see responses below:

QUESTION	RESPONSE
<ol style="list-style-type: none"> 1. Does your organisation currently have an established osteoporosis clinical pathway, care pathway or equivalent in place (either independently or in collaboration with providers such as hospitals, community services, or primary care)? 2. If yes: <ul style="list-style-type: none"> ○ Please provide a copy of the osteoporosis pathway document (or the most recent version available). ○ Please confirm the date the pathway was last reviewed or updated. 3. If no pathway currently exists: <ul style="list-style-type: none"> ○ Please confirm whether your organisation has any plans to develop or adopt an osteoporosis pathway within the next 12 months. ○ If available, please provide details of any related initiatives, working groups, or regional coordination efforts in place for managing osteoporosis care. 	<p>Please refer to our site; REMEDY: BNSSG referral pathways & Joint Formulary page, which provides an overview and referral information:</p> <p>https://remedy.bnssg.icb.nhs.uk/adults/rheumatology/osteoporosis/</p>

The information provided in this response is accurate as of 14 July 2025 and has been approved for release by Matt Backler, Interim Chief Finance Officer for NHS Bristol, North Somerset and South Gloucestershire ICB.
