

**Reference:** FOI.ICB-2526/136

**Subject:** Commissioning and provision of Structured Diabetes Education (SDE) for people living with Type 1, Type 2 and Gestational Diabetes

*I can confirm that the ICB does hold some of the information requested; please see responses below:*

QUESTION	RESPONSE
1. Who is the lead or main contact responsible for commissioning SDE for Type 1 Diabetes within your ICB? Please include name, job title, and contact email if available.	Enquiries relating to the commissioning of SDE for Type 1 and 2 Diabetes within BNSSG should be directed to the Head of Integrated Care by emailing: <a href="mailto:bnssg.performanceanddelivery@nhs.net">bnssg.performanceanddelivery@nhs.net</a>
2. Who is the lead or main contact responsible for commissioning SDE for Type 2 Diabetes? Please include name, job title, and contact email if available.	
3. Please confirm the name(s) of the provider(s) currently delivering SDE for both Type 1 and Type 2 Diabetes and the specific course(s) they provide (e.g., DESMOND, DAFNE, or others).	Structured Diabetes Education for both Type 1 and Type 2 diabetes is provided by Sirona care and health CIC.
4. How many people were referred for Type 2 Diabetes Structured Education (SDE) during the most recent full financial year (April 2024 – March 2025)?	This information is not held by BNSSG ICB. Please contact the provider ( <a href="mailto:hello.sirona@nhs.net">hello.sirona@nhs.net</a> )

5. Of those referred for Type 2 Diabetes SDE, how many completed the full course?	
6. How many individuals are currently on a waiting list for Type 2 Diabetes SDE?	
7. What is the current average waiting time from referral to first education session for Type 2 Diabetes SDE?	
8. What formats of structured education are offered (e.g., face-to-face, online live sessions, digital self-guided)?	This information is available online at the following link: <a href="#">Diabetes Structured Education (Remedy BNSSG ICB)</a>
9. Does your ICB provide any education or support for people diagnosed with gestational diabetes? If so, please include the name(s), format(s), and provider(s) if available.	Support for patients who develop gestational diabetes is provided via antenatal clinics. Further details can be found here: <a href="#">Pregnancy and diabetes (Remedy BNSSG ICB)</a>
10. Who is the lead contact for commissioning or overseeing gestational diabetes care and support (e.g. education, monitoring)? Please include name, job title, and contact email if available.	The ICB does not have a lead for commissioning of gestational diabetes care and support.

***The information provided in this response is accurate as of 22 August 2025 and has been approved for release by David Jarrett, Chief Delivery Officer for NHS Bristol, North Somerset and South Gloucestershire ICB.***
