<div>2. How many patients received 24/7 care during 2022 to 2023 and 2023 to 2024</div>	<div>The ICB does not record commissioned care packages in a way that enables this data to be reported. In order to answer this question it would be necessary to review all individual funded case records for this period of time which would take longer than the 18 hours timescale. Therefore, the ICB has exempted the information under Section 12 (Cost compliance exceeds appropriate limit).</div>
