Subject: Bristol Mental Health Crisis Service

I can confirm that the ICB does hold some of the information requested; please see responses below:

QUESTION	RESPONSE
<p>1. Please provide all data held by the ICB in respect of commissioned service BMH 03 - Bristol Mental Health Crisis Service-</p> <p>'Key Service Outcomes' , as listed under s4 of the Service Specification document - for years 2021 -2025</p>	<p>The request would require over 40 unique questions to be answered, of which many included detailed further breakdowns. To answer each section requires time to both ensure there is a clear definition and that the scope is agreed and appropriate with a wide range of stakeholders across the system, and then to identify potential data sources, the data quality, extract the data, analyse, and present the information.</p> <p>The team estimates that this would take 40 hours, therefore the ICB has exempted the information under Section 12 (Cost compliance exceeds appropriate limit).</p> <p>If you were able to provide the specific measures you are most interested in, the ICB may be able to respond within 18 hours.</p>

The information provided in this response is accurate as of 3 December 2025 and has been approved for release by David Jarrett, Chief Delivery Officer for NHS Bristol, North Somerset and South Gloucestershire ICB.
