Subject: Planned GP Surgeries

I can confirm that the ICB does hold the information requested; please see responses below:

QUESTION	RESPONSE
I would like to request information on if there are more GP surgeries planned for the BNSSG area, given large developments planned, E.g. Brabazon.	<p>A Section 106 agreement has been secured to deliver a new GP surgery on-site within the Brabazon (Cribbs Patchway New Neighbourhood) development. The facility will be delivered once agreed housing delivery trigger points are met.</p> <p>In addition, a business case has been approved for a new health hub in Central Weston, which will house a GP practice and replace the existing Graham Road Surgery. A further business case has been approved for a new GP surgery in Thornbury, which will replace the current Thornbury Health Centre.</p>

The information provided in this response is accurate as of 19th December 2025 and has been approved for release by Matt Backler, Interim Chief Finance Officer for NHS Bristol, North Somerset and South Gloucestershire ICB.
