

**Reference:** FOI.ICY-2526/314

**Subject:** Women Affected by PIP Breast Implants

*I can confirm that the ICB does not hold the information requested; please see responses below:*

QUESTION	RESPONSE
<p>My constituent would like to know if you have any data to establish how many women in Bristol East, or across the BNSSG area, have been referred to NHS services in connection with PIP implants since 2011.</p> <p>They also asked about follow-up pathways, namely, whether these exist for women affected by faulty implants.</p>	<p>The ICB does not hold this information.</p> <p>We advise you to contact the acute hospital trust, NBT (North Bristol NHS Trust), who may hold this information; <a href="mailto:FOIARequests@nbt.nhs.uk">FOIARequests@nbt.nhs.uk</a></p>

***The information provided in this response is accurate as of 18 December 2025 and has been approved for release by David Jarrett, Chief Delivery Officer for NHS Bristol, North Somerset and South Gloucestershire ICB.***
