QUESTION	RESPONSE
This is an FOI request for the latest fertility policy that is being used in NHS Bristol, North Somerset and South Gloucestershire ICB by GPs and decision makers as of today (12/01/2026). I'm reaching out via email as we understand that the policies on some ICB websites aren't always updated immediately.	<a href="#">Infertility Assessment and Treatment - BNSSG Healthier Together</a>  <a href="#">Fertility Preservation - BNSSG Healthier Together</a>
