Subject: Care Education and Treatment Reviews

I can confirm that the ICB does hold some of information requested; please see responses below:

QUESTION	RESPONSE
I am writing to you under the Freedom of Information Act 2000 to request the following information from the ICB learning disability and autism team or C(E)TR team relating to Care Education and Treatment Reviews (C(E)TRs) for the year 2025:	
1. Total number of C(E)TRs undertaken in 2025, broken down by: <ul style="list-style-type: none"> i. CYP inpatient ii. CYP community iii. Adult inpatient iv. Adult community v. Secure services (if available) 	<ul style="list-style-type: none"> i. CYP (Children and Young People) inpatients are held by South West Provider Collaborative (South West Provider Collaborative Devon Partnership NHS Trust Devon Partnership NHS Trust) ii. 10 Community CYP CeTRs iii. 28 Inpatient Adult CTRs iv. 5 Community Adult CTRs v. Secure Services CTRs held by NHS England
2. Total cost of all C(E)TRs for the ICB in 2025.	£51,600 approx. (excluding any contracts in place)
3. Average cost per C(E)TR, including travel and subsistence. If available, please also include average costs for hospital and community staff time.	<ul style="list-style-type: none"> • CeTR Panel average cost - £1200 • Hospital Cost – These costs are not held by the ICB • Community staff Cost - These costs are not held by the ICB

<p>4. Number of cancelled C(E)TRs within the following timeframes, and the reasons for cancellation:</p> <ul style="list-style-type: none"> i. Within 48 hours ii. Within 24 hours iii. On the day 	The ICB does not hold this information.
<p>5. Total number of delegated chairs, Experts by Experience, and clinical reviewers operating within your area.</p>	Not known, our panel members are contracted out through the CSU (Commissioning Support Unit).
<p>6. Whether an average time/cost is calculated to set up a C(E)TR, and if so, please provide the figure and methodology used.</p>	The time allocated to each CeTR is variable depending on circumstance.
<p>7. Staffing count to plan, manage, and run C(E)TRs across the ICB, broken down into CYP and Adult teams.</p>	We are a small team covering both CYP and Adults, and have a dedicated admin resource of 2.7 full time equivalents with clinical staff support when required.

The information provided in this response is accurate as of 23 January 2026 and has been approved for release by Rosi Shepherd, Chief Nursing Officer for NHS Bristol, North Somerset and South Gloucestershire ICB.
