Subject: EPRR and Primary Care

I can confirm that the ICB does hold the information requested; please see responses below:

QUESTION	RESPONSE
Under the provisions of the Freedom of Information Act 2000, I kindly request the following numerical information relating to EPRR and primary care. If you do not hold some of this information then please confirm explicitly that you do not hold it.	
1. Since 2023, how many EPRR exercises (e.g., table-top, live-play, or discussion-based) has your ICB conducted or participated in?	14 exercises; mixture of workshop, walkthrough and live
2. Of those exercises, in how many was primary care (e.g., general practices, Primary Care Networks, or GP representatives) actively involved?	Primary Care were invited to 2 but did not attend
3. In the most recent EPRR Core Standards Assurance Process, how many GP surgeries (Or PCNs) provided contributing evidence to the ICB?	None. There is no mandate for Primary Care within the South West to participate in ICB critical service delivery and Business Continuity mitigations.

The information provided in this response is accurate as of 9 February 2026 and has been approved for release by David Jarrett, Chief Delivery Officer for NHS Bristol, North Somerset and South Gloucestershire ICB.
