Subject: Allergy Immunotherapy Treatments

I can confirm that the ICB does hold some of the information requested; please see responses below:

QUESTION	RESPONSE
<p>1. Does the NHS provide any immunotherapy to treat allergies for patients aged under 18, within the ICB area?</p> <p>a. As above, for patient aged under 16?</p> <p>2. If so, please list the different immunotherapy treatments available for under 18s, including for food and airborne allergies</p> <p>a. As above, for patients under 16s?</p>	<p>The ICB does not hold this information. Please contact the provider of the paediatric allergy service directly, as follows:</p> <p>University Hospitals Bristol and Weston NHS Foundation Trust (UHBW): https://www.uhbw.nhs.uk/p/how-we-use-your-data/freedom-of-information-foi-requests</p>
<p>3. How many new patients under 18 (if any) have started immunotherapy treatment for an allergy, annually for the past five years within the ICB area?</p> <p>If possible provide a breakdown of numbers for each different type of treatment.</p> <p>a. As above, but for patients under 16?</p>	<p>Some Allergy Advice & Guidance can be found on our Remedy site: Allergy Advice & Guidance (Remedy BNSSG ICB)</p>
<p>4. Do patients aged under 18 get referred outside the ICB area for allergy immunotherapy treatment?</p>	

5. If so, please provide a breakdown of how many new patients have been referred, annually for the past five years, and for which treatments if possible.

a. As above, for patients under 16

The information provided in this response is accurate as of 17 February 2026 and has been approved for release by David Jarrett, Chief Delivery Officer for NHS Bristol, North Somerset and South Gloucestershire ICB.
