Subject: Supported living and residential care services for adults with learning disabilities (LD)

I can confirm that the ICB does hold some of the information requested; please see responses below:

QUESTION	RESPONSE
<p>Long term care is provided to clients on an ongoing basis and has been allocated on the basis of eligibility criteria / policies (i.e. an assessment of need has taken place) and are subject to regular review. Please refer to the following link for further clarification, if needed (https://digital.nhs.uk/data-and-information/data-collections-and-data-sets/data-collections/social-care-collection-materials-2024/salt-data-return-2023-2024-guidance/lts001a).</p> <p>Supported living may also be called Supported accommodation or Supported housing and is a housing scheme where housing, support and care services are provided to help people with disabilities live as independently as possible in the community.</p> <p>Total placements is the total number of active funded placements in that period, included those carried over from previous years.</p> <p>New placements are those newly commissioned in that period only, ie not carried over from a previous year.</p>	<p>Please refer to requesters template enclosed.</p> <p>You will note the ICB is unable to provide data for the financial year 2021/22 as our current data system was not operational at this time.</p> <p>In regard to a forecast for the financial year 2026/27, the ICB does not forecast numbers in advance due to the unknown number of cases for patients that may be requested in year.</p> <p>Numbers of patients less than 5 have been suppressed as per the BNSSG ICB Freedom of Information policy to ensure that individuals are not identifiable.</p>

Please respond using the attached excel template.

For financial year FY26, please provide the full year figure as at the date of your response. For financial year FY27, please provide a forecast or budgeted number of placements if available.
