Subject: Commissioning and costs of Level 2 female rehabilitation beds

I can confirm that the ICB does hold the information requested; please see responses below:

QUESTION	RESPONSE
I am requesting the following information. Please provide information relating to Level 2 female inpatient rehabilitation beds commissioned or funded by your ICB. For the most recent complete financial year (2024/25, or the latest year for which data is held), please provide:	
A. Costs 1. The lowest daily cost (£ per bed day) paid by the ICB for a Level 2 female rehabilitation bed. 2. The highest daily cost (£ per bed day) paid by the ICB for a Level 2 female rehabilitation bed. 3. Where applicable, whether any of the costs above include a stepped or enhanced rate, for example a higher daily rate for an initial admission period. - o If so, please indicate: ▪ The daily rate(s). ▪ The duration for which the enhanced rate applies.	1. £615 2. £646 3. The above do not include a stepped or enhanced rate 4. £638

4. If held, the average daily cost (£ per bed day) paid by the ICB for Level 2 female rehabilitation placements over the same period.	
B. Observations 1. Please confirm whether enhanced observations (e.g. 1:1, 2:1) are: ○ Included within the standard bed day rate, or ○ Charged in addition to the bed day rate. 2. Where enhanced observations are charged additionally, please provide: ○ The range of hourly or daily costs charged. ○ Whether these costs are paid directly by the ICB or pass-through from provider invoices.	1. Enhanced observations are charged in addition to the bed day rate 2. £30.84 per hour and the cost is paid via the provider invoicing the ICB
C. Commissioning model 1. Please indicate how Level 2 female rehabilitation beds are primarily commissioned by the ICB: ○ Block contract (fixed number of beds). ○ Spot purchase / case-by-case placement. ○ A mix of block and spot purchasing. 2. If a block arrangement is in place: ○ The number of beds included in the block (if held).	1. All are via spot purchasing 2. Not applicable

Whether the block rate differs from spot-purchased rates.	
D. Activity 1. The number of Level 2 female rehabilitation placements funded by the ICB during that period (headcount rather than bed days).	7 Level 2 female rehabilitation placements funded by the ICB during the requested period.

The information provided in this response is accurate as of 1 June 2026 and has been approved for release by Rosi Shepherd, Chief Clinical Leadership and Delivery Officer (Nursing) for NHS Bristol, North Somerset and South Gloucestershire ICB.
