In September 2023 I submitted an application for a PUPoC assessment. This has not been allocated for assessment in over two years nine months. I would now like to know how many of these assessments have been made during this time.	102 PUPoC assessments have been completed since 1 st April 2023.

The information provided in this response is accurate as of 1 July 2026 and has been approved for release by Denise Moorhouse, Deputy Chief Nursing Officer for NHS Bristol, North Somerset and South Gloucestershire ICB.
