Subject: Hospital at Home and Virtual Ward Pathways

I can confirm that the ICB does hold the information requested; please see responses below:

QUESTION	RESPONSE
Could you please provide information regarding the operational clinical pathways utilized within your Trust's Hospital at Home and/or Virtual Ward services? Specifically, I would like to know:	
1. Does your Hospital at Home and/or Virtual Ward service currently include a dedicated Palliative Care or End-of-Life Care Pathway ?	No
2. If a Palliative/End-of-Life Care Pathway exists, could you please provide the name(s) and job title(s) of the Clinical Lead Consultant(s) or Clinical Director responsible for running this specific pathway, alongside the public-facing department contact details?	N/A
3. Does your Hospital at Home and/or Virtual Ward service currently include a dedicated Frailty Pathway ?	Yes
4. If a Frailty Pathway exists, could you please provide the name(s) and job title(s) of the Clinical Lead Consultant(s) or Clinical Director responsible for	Rebecca Winterborn Clinical Director BNSSG NHS@Home NHS@Home HUB – 0300 125 5001

running this specific pathway, alongside the public-facing department contact details?	
5. If these pathways are not currently active but are in development or planned for future rollout, please provide the estimated implementation timeframes if available.	N/A

The information provided in this response is accurate as of 6 August 2026 and has been approved for release by Caroline Dawe, Deputy Director of Performance and Delivery, Acute and Integrated Care, MHLDA and EPRR for NHS Bristol, North Somerset and South Gloucestershire ICB.
